

MAKING A DIFFERENCE SINCE 2000

FAIRMONT PARK MISSION STATEMENT

To preserve, support and improve the physical and economic health of our neighborhood by enhancing safety and security, providing a helping hand and working with City and County officials to achieve these objectives.

The Fairmont Park Neighborhood Association Est.2000 is a non-profit organization dedicated to improving not only the lives of its residences but the overall health of the entire neighborhood. The Association is dedicated to working with representatives from the City of Des Moines as well as Polk County to maintain and improve the welfare of all of the neighbors living within its boundaries. This year we are reaching out to all our residents.

Fairmont Park boundaries start at E Euclid, south to Easton Blvd, East to Hubbell, North to E 33rdst, and West to Delaware. Within those boundaries we have nearly five thousand residents, two grade schools, (Garton, Phillips) and one middle school (Goodrell).

The Association boundaries also has 30 plus businesses that we are blessed to have. We have had success in returning Hubbell Ave. back to four lanes. We are working to increase our membership, and learn from them what further needs to be done. The board is not always aware, of and needs your help.

We know that our voice would be heard more clearly if we have a vibrant and successful association.

That is why we are asking you to participate in our Fairmont Park Neighborhood Association. You are invited to attend and be part of this Fairmont Park Neighborhood Association
